Guest Update

Notice of 2020 Season Closure

As we communicated in early April, we believed it would be possible to welcome guests for the 2020 summer season with a limited scope of services under enhanced COVID-19 measures.

Given the fluid nature of the COVID-19 pandemic, and ongoing communications with our internal health professionals, provincial and regional health authorities, and the local surrounding communities, we have come to the difficult decision to suspend operations for the remainder of 2020.

This decision has not come without considerable discussion. Ultimately, our responsibility is to balance the expectations of our guests with potential operational challenges and the needs and concerns of the local community. Our primary concern is the health and safety of our guests, our staff, and residents of the surrounding region.

Reimbursement of 2020 Fees

For those who have already issued payment of fees for reservations and services, we will be processing full refunds. If you have any questions, please don't hesitate to contact us at christinalake.lodge@civeo.com.

To our new guests who have yet to experience Christina Lake, we hope you will keep us in mind for future seasons.

We would also like to thank our loyal customers who return each year to make memories with family, friends, and other guests. We look forward to welcoming you back in 2021.
